

ACESD 2021

PHUKET, THAILAND | NOVEMBER 6-8, 2021

GENERAL INFORMATION

2021 6th Asia Conference on Environment and Sustainable Development (ACESD 2021) aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government to discourse on research and development, professional practice in environment and sustainable development. ACESD 2021 is organized by IJESD and technically supported by Yokohama National University, iNehc, which will be held in Phuket, Thailand during November 6-8, 2021. It is one of the leading international conferences for presenting novel and fundamental advances in the field of environment and sustainable development.

The conference serves to foster communication among researchers and practitioners working in a wide variety of scientific areas with a common interest in improving environment and sustainable development related techniques. It also brings authors and readers of IJESD together to communicate face to face and discuss chances for possible cooperation and hot topics in the field of environment and sustainable development.
